LEADER

rKids

Tree: This person is the first face that families see when coming to rKids. They greet and welcome families as they are dropping their kids off. They assist in registering new families into rCircle, give them a brief run down of how drop off and pick up work, and show families where to take their kids.

Service runner: This person will assist in checking in on rooms to make sure the leaders have everything they need for service to run smoothly. They will assist in the counts for each room (leaders and children). They will hang out by the tree during service to be an additional safety net. If kids are having a hard time in service, they will engage with those children out at the tree providing more of a 1:1 experience, when needed. In between services, they will restock service items such as goldfish, cups and activity supplies.

Buddy: This leader will provide more individualized care/learning for our children who just need to be seen. They will sit with them in their classrooms helping them engage in the group, or they will provide alternate learning/activity depending on need of the child.

Infant Nursery: Birth-crawling. Help provide a safe and loving environment where parents feel supported to engage in worship service.

Toddler Nursery: Walking-2. Help provide a safe and loving environment where parents feel supported to engage in worship service.

Large group leader: This leader engages and delivers the message to the kids K-5th grade in our large group room. They will be on stage leading the kids in worship and prayer. They need to be fun, upbeat and engaging!

Preschool 3/4 leaders: These leaders are responsible for teaching a very short and simple lesson. You will spend time in worship and prayer. You will lead class activities/crafts/games and enjoy a snack! All crafts and activities are prepped for you.

K-5th leaders: These leaders will be responsible for running their assigned classrooms. They will pray with the kids, lead room activities and lead snack and chat. All activities are prepped for you with supplies readily available

Assistant leaders: Assisting the head leader of the classroom with activities and engaging with kids.

Student leaders: Assisting the room leaders in tasks as assigned.

Tech: Running slides on Sunday's in large group room.

Sub leader: These leaders will be scheduled to sub in rooms on a chance that another leader is unable to fulfill their serving role for that day.
